	Publication: 10/24/02	Effective: 1/31/03
Subject: Use of Seattle-ENVSTD Computer Program to Demonstrate Nonresidential Building Envelope Compliance with the 2002 Seattle Energy Code	Code and Section Reference: 2002 Energy Code, Chapter 13	
	Type of Rule: Technical Requirements	
	Ordinance Authority: SMC 3.06.040	
Index: Seattle Energy Code Technical Standards	Approved (signature on file) Diane M. Sugimura, Acting Director, DCLU	Date 1/30/03

Purpose

The purpose of this rule is to authorize use of the computer program "Seattle-ENVSTD" for demonstrating compliance with the building envelope requirements found in Chapter 13 of the 2002 Seattle Energy Code.

Rule

For nonresidential buildings, compliance may also be shown using the computer simulation program Seattle-ENVSTD. This option is allowed only for the entire building or an entire new addition. It is not allowed for a portion of the building.
